E-Gaming on the Isle of Man

The Isle of Man has become recognised as one of the most popular jurisdictions for establishing e-gaming businesses due to the Manx Government's commitment to seeing this industry grow.

The principal advantages for business include:

Reputation – The Island has a history of stable government and is white-listed by the UK as an e-gaming jurisdiction.

Corporate Advantages – The Isle of Man has low taxes (0% for corporate income tax) and betting duties, provides an ideal base for AIM listings, and has a variety of corporate vehicles for a business to choose between.

Grants – The Isle of Man Government offers various incentives to e-gaming businesses, including funding toward relocation costs, marketing, hardware, software and training.

Infrastructure & Support Services – The Isle of Man has world class telecommunications links, and expert IT, accounting and legal service providers to support e-gaming business.

Regulation – The Island has a strong and independent gaming regulator in the Gambling Supervision Commission and legislation has developed specifically with e-gaming in mind to ensure the sector's reputation for player protection is secure.
